

## How do you use the sets of pictures?

### Flat-pictures I (the poster)

#### *Offline*

Print the pdf document 'Flat-pictures' and hang the A4 pages as a poster or separately on a wall.

#### *Online*

Project the pdf document 'Flat-pictures' on the wall or ask the participants to open the document themselves on their computer or phone. Unfortunately, it is not possible to show or see all profiles at a glance. We advise you to be creative when using this photo set online.

### Flat-pictures II (the single pictures)

#### *Offline*

Print the pdf document 'Flat-pictures' and cut out all the pictures (individual pictures, i.e. not per 9x9 grid). You can also use a cutting machine.

#### *Online*

There is no online version available for this picture-set.

### POV-pictures

#### *Offline*

Print the pdf document 'POV-pictures' and cut out all the pictures. You can then put the pictures in badges of 90 mm by 60 mm.

#### *Online*

Project the pdf document 'POV-pictures' on the wall or ask the participants to open the document themselves on their computer or phone. Not all exercises can be done online.

### Postcards

#### *Offline*

Print the pdf document 'Postcards' - preferably on thick paper - and cut out all the pictures. You can also use a cutting machine.

#### *Online*

Project the pdf document 'Postcards' on the wall or ask the participants to open the document on their own computer or phone.

### Press-pictures

#### *Offline*

Print the pdf document 'Press-pictures' - preferably on thick A4 paper.

*Online*

Project the pdf document 'Press-pictures' on the wall or ask the participants to open the document themselves on their computer or phone. You can often also use your own laptop in these exercises and put it on your lap.
